Introduction and Index

This index of documents for the Record of Decision (ROD) Amendment Administrative Record #62625 lists documents considered by the United States Environmental Protection Agency with respect to response actions at the Peoples Natural Gas Site, Operable Units (OU) 00.

The Administrative Record file index lists documents chronologically in date order, system default for undated documents is 01/01/1111. This sorting scheme corresponds with the arrangement of the documents in the Administrative Record itself. In cases where documents contain only partial dates, the index defaults to the first day of the month.

All documents included in the Compendium of CERCLA Response Selection Guidance Documents revised in March 1991, are hereby included in the Administrative Record file by reference. All previous Administrative Records files are also included by reference.

The Administrative Record is available for public review at:
